SUBJECT :Request for extension on the assignment submission deadline

Dear Professor ,

I hope you are doing well.

I am writing to kindly request an extension for the submission of the Maths Assignment , which is currently due on 31th of march 2026. Due to some personal circumstances in which I have to rush to my home town. I have been unable to complete the assignment to the best of my ability within the given timeframe.

I sincerely value the quality of my work and would greatly appreciate it if you could grant me an extension of 3 days to complete and submit the assignment properly.

I apologize for any inconvenience caused and assure you that I will submit the work as soon as possible within the extended deadline.

Thank you for your understanding and consideration.
